

SKYWORTH

Lead the future

FREEZER

FRESHER · HEALTHIER · TASTIER

The ultimate pleasure for your frozen food

About SKYWORTH Group

A Chinese multinational corporation established in 1988 in Shenzhen. SKYWORTH design, manufacture and sell televisions, smart electrical appliances, and home appliances. SKYWORTH Group has been among the top 100 Chinese electronics companies and listed in Fortune China 500 for years.

SKYWORTH Electric Co. Ltd. was established in 2013, which specialized in the R&D, manufacturing and marketing of home appliances such as refrigerator, chest freezer, and washing machine. It is the third largest industrial company in SKYWORTH Group, with annual turnover of nearly 5 billion RMB.

Adhered to technology leadership & quality, SKYWORTH owns a refrigerator and a washing machine R&D center with 331 patents obtained. With multiple years of development, SKYWORTH has won several awards such as National Hi-Tech Enterprise, National Recognized CNAS & SGS Laboratories, and Top 10 Washing Machine Export Enterprises in China.

SKYWORTH is committed to develop friendly usage, safety priority, and efficient products to create consistently great customer experience.

WHY CHOOSE SKYWORTH FREEZER?

Energy Saving

Super Silence

Fast Freeze

All in One

Consistent Temperature

Space Efficiency

Super Silence

Remarkably quiet at 38dB maximum results in peaceful environment.

*Result based on SKYWORTH internal lab test condition. Individual results may vary.

FRESHER · HEALTHIER · TASTIER

INVERTER TECHNOLOGY

Equipped with an inverter compressor, the upright freezer will be operating in ultra silent mode and energy saving.

TOTAL NO FROST

Prevents ice and moisture build up in the upright freezer to retain food freshness for a longer time.

ENERGY SAVING

Using high efficiency compressor to maintain temperature consistency results in energy saving.

EASY CLEAN

Effortless wipe and clean the inner chest freezer to prevent bad odours.

FAST FREEZE

Freeze the fresh food quickly to lock its nutrients and freshness.

SAFETY LOCK

High quality and easy to use lock to prevent children playing in the chest freezer and theft deterrent.

EASY ROLLING WHEELS

Effortlessly moving of the chest freezer with easy rolling wheels.

TEMPERATURE RETENTION

Worriless about power outage. Temperature can be retained up to 100 hours without power.

SPACE EFFICIENCY

Save your kitchen space without compromising the space in the chest freezer.

CONSISTENT TEMPERATURE

Effectively and efficiently exchange heat between the inner wall and the D-type refrigerating tube results in faster and consistent cooling.

INTERIOR LED LIGHT

Bright and soft LED light for easy viewing of the frozen food in the freezer.

STORAGE ORGANIZATION

Efficiently manage the frozen food with basket to locate your favourite item easily.

WHITE PCM INNER

Elegant look with the benefits of corrosion resistant, scratch resistant, uneven surface resistant, and easy to defrost.

ANTI-SLIP DOOR HANDLE

Easier and safer to open the door with the Anti-Slip Door Handle, even with wet hands.

ALL in One

360° knob enables you to select a wide range of temperature zones to lock the nutrient & freshness of different type of food.
