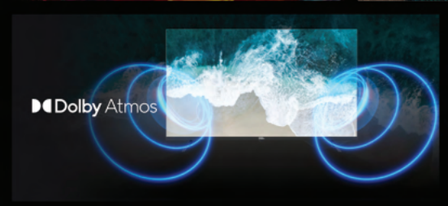
TOP GLOBAL APPLIANCES BRAND

SKYWORTH SUE8100 50" 55" 65" 75"



* The final design should be subject to the real product.

QLED+

What is QLED+

Using the new generation wide color gamut backlight and quantum dot structure, it brings a more authentic, healthier, environmentally friendly, and outstanding QLED.

QLED+

New Generation QD-DP Structure

By combining the traditional QLED quantum dot film structure with a diffusion plate, we achieve a simpler and more stable structure, resulting in higher transmittance and longer lifespan.

Translucency **25%** Life Extension **15%**

*Datas from SKYWOR PQ laboratory

eye CARE

FLICKER FREE

Switching from traditional PWM dimming to DC direct current dimming effectively solves the flickering issue of LCD television screens.
