SKYWORTH DISPLAY CHILLER

RELIABLE COOLING FOR EVERYDAY BUSINESS

CrystalView Glass

Professionally engineered double-layer toughened glass reduces condensation and ensures long-lasting clarity, keeping products clearly visible at all times.

CoolStream Fan

Equipped with the high-performance CoolStream Fan and 360° Chill system, the chiller circulates cold air evenly throughout the interior, eliminating dead zones and keeping every product perfectly chilled.

Thickened Foam Insulation

Thickened foam layer ensures stable internal temperatures, effectively retaining cold air while blocking external heat for consistent freshness.
